Power Distribution System (PDS)

30A, 3 Phase, 3 Pole, 4 Wire

NEMA 3R

Walther Electric provides power distribution systems built to withstand the heavy abuse typically associated with construction sites, marine/shipbuilding, entertainment venues, and anywhere you need temporary portable power.

- Rugged, weather resistant plastic enclosure for Indoor/Outdoor use (NEMA 3R)
- All output connectors are circuit breaker protected for added safety
- Step-down transformer is mounted to a standard upright steel dolly cart style frame
