

IEC 100A 3-PH, 3-Pole, 4-Wire, UL Listed

PART NO: 379410

FEATURES AND BENEFITS

- High Impact Thermoplastic Housing
- Cable Gland with “Onion Ring” Neoprene Bushing
- Retaining Device
- Internal Strain Relief with “Swing-Away” Feature
- Locking Ring and Gasket
- Zinc electroplated Steel Screws
- Shrouded Pins
- Color Coded
- Walther can custom design configurations that meet your application requirements.
- Walther can produce and supply the mating cable Assemblies.

Specifications	
Degree of protection (IP)	IP67
Amperage	100A
Voltage/frequency	50-500 VAC/ 100-300 Hz
Clock position of Ground	10-H
Poles and Wires	4-Wire, 3P+G
Approximate Dimensions	L 6” W 6” H 13”
Approximate Weight	4 lbs.

DESCRIPTION:

50-500VAC/100-300Hz, IEC60309, IP67 Coupler, UL Listed

APPLICATION:

Ship to Shore Power, Welding, Data Center, Portable Power, Entertainment and more
